

FLORIDA HOSPITAL

Center for Interventional Endoscopy

The skill to heal. The spirit to care.®

601 East Rollins Street | Orlando, FL 32803

Symposium on Challenges in Clinical Endoscopy

Update your knowledge, learn the latest

January 9, 2016

Hammock Beach Resort

200 Ocean Crest Dr, Palm Coast, FL 32137

Objectives

- Learn the techniques to maximize success when extracting large bile duct stones at ERCP.
- Learn the latest in the treatment of inflammatory bowel diseases.
- Learn the latest techniques and technologies for the diagnosis and treatment of Barrett's dysplasia.
- Learn the principles on how to perform same endoscopic mucosal resections.
- Learn how to survey pancreatic cysts, treat complex gastrointestinal strictures and effectively manage GI bleeding.
- Know more about the future of GI Endoscopy and where we are headed?

American Disabilities Act

Florida Hospital is committed to making its activities accessible to all individuals. If you have a disability, please submit a description of your needs, along with your registration, to assure that you will be able to participate in this activity.

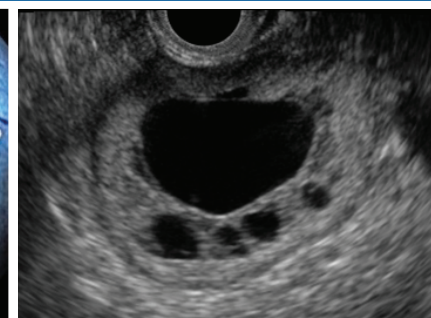

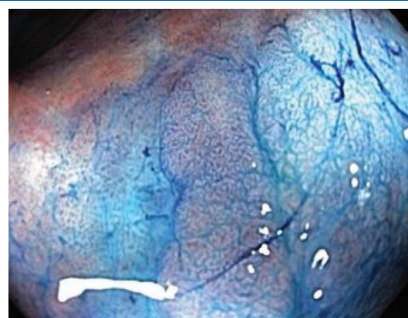

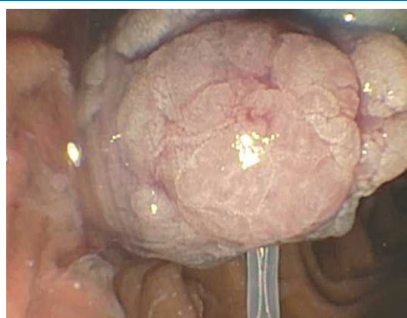

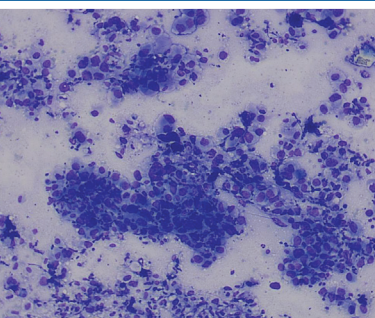

SYMPOSIUM ON CHALLENGES IN CLINICAL ENDOSCOPY

UPDATE YOUR KNOWLEDGE, LEARN THE LATEST
