Center for Interventional Endoscopy

The skill to heal. The spirit to care.®

601 East Rollins Street | Orlando, FL 32803

Achieving Excellence in Clinical Endoscopy

Focused Update on Inflammatory Bowel Diseases

January 14, 2017

The Vinoy® Renaissance St. Petersburg Resort & Golf Club

501 5th Ave NE, St. Petersburg, FL 33701

Objectives

- Describe the techniques for successful cannulation and how to extract large bile duct stones at ERCP.
- Discuss the latest in the treatment of inflammatory bowel diseases.
- Discuss the latest techniques and technologies for the diagnosis and treatment of Barrett's dysplasia.
- Discuss approaches to the treatment of Zenker's Diverticulum.
- Identify the principles on how to perform some endoscopic mucosal resections.
- Review the guidelines for the surveillance of pancreatic cysts.
- State-of-the-art evaluation of small bowel bleeding.
- State the future of GI Endoscopy and where we are headed.
